

Alternative Squash arrangements during refurbishment

All inclusive membership option

Cambridge Squash Club – Histon Road

This option is an all inclusive membership fee of £26.50 per month which gives unlimited squash. This fee is a discounted fee on the basis of at least 10 Frank Lee members joining. However, the club has agreed with Cambridge Squash Club that should we not get to 10 members then the Frank Lee Centre will cover the difference between the discounted fee of £26.50 and the normal fee of £32 per month whilst the Frank Lee courts are closed.

Pay as you play Options

The 2 other venues of the **Leys School** and **Hills Road Sixth Form** both offer access without a membership fee on a pay as you play option.

Reimbursement of fees

The following was agreed in consultation with squash playing members during meetings held in late 2009.

Anyone taking up the Cambridge Squash Club membership would not be reimbursed anything on the basis that they would probably be playing sufficiently often to justify the membership cost.

Any member (including members who retain their Gold membership during the court closure) using any of the alternative pay as you play courts will be reimbursed the difference between the court fee at the Frank Lee (£5) and the fee at pay as you venue. Members are asked to retain the receipts of payment and pass them to me (including a bank account number and sort code) and their bank account will be credited with the difference. It would be helpful if members could submit a few receipts at a time to keep the number of bank transactions to a moderate level.

Squash Ladders

It has also been agreed that the squash ladders WILL continue but on a 2 monthly cycle rather than monthly. Ray Andrews will continue to administer this.

Changing Membership Type

All members will have the option of freezing their membership at no charge or changing their membership category to reflect their change of use pattern. This can be done using 1 simple form which is available on the website or in the club. Annual paying members will have their membership extended by the closure period as applicable.
